Ronnefeldt Teas

Ronnefeldt – established 1823 in the heart of Europe – is today one of the leading premium tea brands worldwide. Enjoy Afternoon Tea with some of the finest teas selected from the most famous tea growing areas in the world and experience the delight they bring to the senses.

White Yin Long – White Tea, China Spring/Summer

A true rare tea from the mountains of the province of Anhui. Only the delicately downy shoot is picked and processed; the result is a cup with subtle peach nuances and a touch of mild tartness.

Darjeeling Summer – Black Tea, India FTGFOP

Delicateness and a gentle note of muscatel melt to perfection. Fine sweetness with an exciting and long-lasting finish is characteristic for this tea.

Golden Assam – Black Tea, India TGFOP

Exceptional leaf tea from Assam with an abundance of golden tips and a delicate note of cocoa, unveiling a malty sweetness once infused.

Classic English Breakfast – Black Tea

Harmonious blend of black tea with deep aromatic notes.

This broken graded tea is especially enjoyable with milk and sugar.

Yunnan Black Mao Feng – Black Tea, China Summer

An outstanding Chinese black tea of the highest quality. True to character with sweet and malty nuances and a hint of caramel and chocolate.

Smoked China – (Lapsang Souchong) Black Tea, China/India FOP

A delicately smoked speciality, blended according to a unique Ronnefeldt recipe. Roasting over pinewood lends this tea its interesting smoky Souchong flavour.

Earl Grey – Flavoured Black Tea, India TGFOP

This popular tea shows the typical flowery richness of an autumnal Darjeeling enhanced with the refreshing citrus taste of bergamot.

Masala Chai - Indian Black Tea with Spices

Experience the taste of true Indian spices in the cup with this authentic Masala Chai black tea. Exotic ingredients such as ginger, anise, black pepper, cloves, cinnamon and fennel blend well with strong, hearty Assam.

Silver Pi Lo Chun – Green Tea, China

A highly delicate green tea that grows under fruit trees which pass their fragrance on to the tea leaves, lending them subtle fruity notes.

Milky Oolong – Green Oolong, China Spring

Delicate, mild green Chinese Tie Guan Yin Oolong tea with an exceptional flowery taste that is underlined with a lingering creamy flavour.

Rooibos Cream Orange – Flavoured Herbal Infusion, South Africa

Full-bodied South African Rooibos is enhanced with vanilla pieces and orange peel to create a fine, mellow yet fruity drink.

Granny's Garden – Fruit Infusion
