# Introducing Meetings & Events

Boutique Hotelier's Hotel of the Year 2023/24

Winner of VisitEngland's Best Large  
Hotel for 2022/23 -... 'Hard to find fault'

Awarded two Michelin Keys for 2024/25 –  
for consistently providing 'an exceptional stay'

## Why The Royal Crescent Hotel & Spa?!

Once at the hotel, there's no need for car or coach transfers during the stay – everything is within easy walking distance. Set in an acre of beautifully manicured private gardens and overlooking expansive Victorian parkland, the hotel provides a peaceful sanctuary just a mere eight-minute stroll from Bath's vibrant city centre - Think country feel in the very heart of the city

For international guests, Bath (a UNESCO World Heritage) can offer an array of characters from Jane Austen's literary connections and William Herschel's astronomical discoveries, to the artistic legacy of Gainsborough and the mysterious tales of the Scarlet Pimpernel, who once lived at number 16 Royal Crescent (now home to the hotel), every corner tells a story. There is also the influence of Druidism on Bath's architecture and the founding history of the Freemasons - What could be more quintessentially British!

Travel to Bath couldn't be easier. Great Western Rail offers a corporate rail ticket direct from London Paddington – a comfortable and direct 75-minute journey and only priced at £54 per person. Flexible and open-ended, these tickets are valid seven days a week, at both peak and off-peak times and such a great offer

For those flying in, Bristol International Airport is only a 45-minute drive away (via country roads, thus avoiding busy congested motorway routes), connecting to over 79 European cities... also offering seamless onward travel to the US via Dublin, complete with US pre-clearance for a hassle-free return journey

...We also have Green Key & Platinum EcoSmart sustainability accreditations!

**Condé Nast**  
**Traveller** Bath voted 'The Best  
City in the UK' 2025!
